Hullabaloo Friday 28th November 2008, 6:30

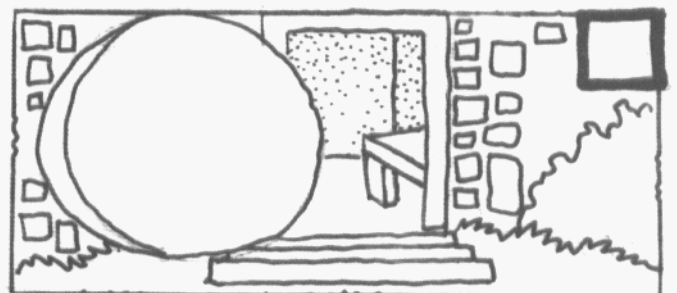

The Mighty God's Word is a person! Colour in all the shapes with a dot to find his name.

Use the letters from his name to complete the memory verse. You can use a letter more than once.

Here are some pictures of Jesus. Put them in the order they happened by writing number 1 in the square in the first picture and so on. Then colour them.

Talk about the memory verse in John 1:14. Use these pictures to talk about Jesus.

Fill in the missing books. These are the Gospel books of the bible.
